

Stoney Creek All-Season Gloves

Brand: Stoney Creek • Category: Apparel & Field Gear

Overview

Detecting is hard on your hands — cold soil, sharp rock, rough tools. These lightweight gloves protect them while leaving the trigger finger and thumb exposed, so you can still press a pinpointer's button and pick a small find out of the dirt without taking them off. Bayleaf camo-green.

Key features

- ✓ Protect your hands digging and handling rough ground
- ✓ Exposed trigger finger and thumb — still work a pinpointer
- ✓ Lightweight Microtough fabric with good grip
- ✓ Bayleaf camo-green; sizes S–XL
