

Waterproof Detecting Headphones for Minelab Equinox (Wired)

Brand: Detect-Ed • Category: Accessories & Spare Parts

Overview

Good headphones are the cheapest upgrade to your detecting, you'll hear the deep, faint signals you'd otherwise walk over. These are the wired, fully waterproof version with the Minelab Equinox plug, so there's nothing to charge.

Key features

- ✓ Hear faint, deep targets clearly
- ✓ Fully waterproof, rugged build
- ✓ Wired plug made for the Minelab Equinox — nothing to charge
