

Stoney Creek 360° Wide-Brim Hat

Brand: Stoney Creek • Category: Apparel & Field Gear

Overview

Open goldfields mean hours in full sun. This is a proper wide-brim bush hat — the brim runs the whole way around, so it shades your face, ears and the back of your neck, not just your forehead like a cap. Breathable for the heat, in an understated Bayleaf camo-green.

Key features

- ✓ Full 360° brim shades your face, ears and neck
- ✓ Breathable for long, hot days on open ground
- ✓ Bayleaf camo-green — understated in the bush
- ✓ One size, packs down easily
